

THE EQUITY RESEARCH COMPANY EDISON INITIATES COVERAGE OF ORÈGE

Voisins-le-Bretonneux, the 18 October 2018 at 8:00 am - Orège is pleased to announce that Edison has just initiated coverage of Orège with a report entitled "Innovation in environmental sustainability".

Based in New York and specialized in investor relations, Edison will monitor and draw up financial analysis and valuation reports on Orège.

This coverage will increase Orège's visibility internationally and broaden its investor base.

Edison's report is available on the following link:

<https://www.edisoninvestmentresearch.com/research/report/or232ge/full>

Orège is already covered by Gilbert Dupont.

About Orège:
