## Water Action Platform

Sponsor 2021-2022

<https://www.wateractionplatform.com/>

A dynamic and vibrant forum dedicated to collaboration and knowledge-sharing of best practice in the global water sector.

Created by the global technology and business consultancy Isle, the Water Action Platform is a global initiative that brings water companies together to share knowledge and innovation across the world.

Membership grew rapidly and, as of June 2021, it involves over **1450+ people from 760+ organisations across 92 countries.**

With 1450+ members, the Water Action Platform offers a wonderful opportunity for organisations to showcase their technology solutions through “**Technology showcase interviews**” after the webinars organized on a variety of themes.

The group incorporates findings across the entire **sustainable development** space by tackling trends, learnings and experiences that unite all global stakeholders invested in **protecting the planet.**

Orege is one of several sponsors and partners of the Water Action Platform including Atkins, Unicef, Saudi Aramco and the World Water Innovation Fund.
